for the potential employer

Dear Mr / Ms

I have written this letter to apply for Yours company. I saw an open call for the applications on internet.

I believe that my strong educational background and extensive experience in this the field, make an appropriate candidate for the advertised position. As you can see in the enclosed resume, I have been working as a programmer across all the companies for over 9 years by now. Since, my responsibilities and duties were quite similar to those required in the ad of your organization, I strongly believe I can perform well all the delegated duties and tasks. As I greatest success on this position I would like to point out that I specializes in .NET technologies among other distinguished skills.

As requested I am enclosing my resume, where you can find details information on my experience and skills. Please visit my [official website](#) for more information on my profile as well as my profile's [GitHub account](#).

Yours faithfully,

Łukasz Dąbrowski

Software Engineer
